FOR IMMEDIATE RELEASE

Grindstone Partners announces the add-on acquisition of Forgentum by Fulcrum IT Services, expanding its DoD Healthcare Business into Electronic Health Records

ALEXANDRIA, VA, February 27, 2014— Grindstone Partners LLC announced that its portfolio company, Fulcrum IT Services, LLC, acquired Forgentum, Inc., a provider of application development, integrated systems engineering and managed services to the DoD healthcare community. Forgentum complements and expands Fulcrum IT's healthcare services, providing direct support to the Department of Defense (DoD), Military Health Systems (MHS), Healthcare Artifact and Image Management Solution (HAIMS), as well as the Defense Health Clinical System (DHCS). The Company provides information management solutions that capture, manage and share healthcare data for the military's worldwide Electronic Health Record (EHR).

Fulcrum CEO Jeff Handy said, "This acquisition solidifies Fulcrum's offerings in healthcare and includes invaluable talent and historic knowledge working in the military healthcare community".

Grindstone Partners is a Virginia based private equity firm that partners with managers to create extraordinary shareholder value in small and mid-sized companies.
